Re: US v. Alfred Palagonia, 00-CR-196

Dear Judge Glasser:

I am writing to request a three week continuance of Mr. Palagonia's probation violation hearing. Since last appearing before you the parties have been discussing a monetary settlement to present to the Court. We have made progress but because of the sums involved we need a few more weeks to secure the necessary financing and finalize a plan for payments going forward.

All parties feel that a settlement will be completed and ready for the Court's consideration by the week of March 21st.

I am therefore on behalf of the defendant, the government and probation respectfully requesting a continuance to a date convenient to the Court during the week of March 21, 2011.

Thanking you in advance for your courtesy in this matter.

Respectfully yours,

Joseph V. DiBlasi
